INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R §§ 1.56, 1.97 (b)(1) and 1.98, Applicants submit herewith Form PTO/SB/08A and PTO/SB/08B including a list of publications known to Applicants and/or their Attorney/Agent. Copies of the foreign documents and non-patent literature are submitted herewith.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Forms PTO/SB/08A and PTO/SB/08B.

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed

documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents should one or more of the documents be applied against the claims of the present application.

Under 37 C.F.R. § 1.97 (b) (1), this Information Disclosure Statement is being submitted within three months of the filing date of a national application; therefore, no fees are believed to be due.
